Re: DE 16-822, Eversource Energy
2017 Default Service

DE 16-823, Eversource Energy
Stranded Cost Recovery Charge Adjustment
Procedural Schedule

To the Parties:

On October 27, 2016, the Commission held duly noticed prehearing conferences in the above referenced matters. Appearances were entered by Public Service Company of New Hampshire d/b/a Eversource Energy, the Office of Consumer Advocate, and Commission Staff. There were no motions for intervention in either proceeding.

Following the prehearing conferences, parties and Staff met in a technical session and agreed upon the following schedule to govern both proceedings, which Staff submitted to the Commission by letter dated October 31, 2016:

Discovery on Filings	11/09/16
Responses to Discovery	11/23/16
Technical Session	11/30/16 at 10:00 a.m.
Eversource Update	12/09/16
Telephone Conference	12/13/16 TBD
Hearing on the Merits	12/15/16 at 9:00 a.m.

The Commission has determined that the proposed schedule is in the public interest and therefore has approved it. In addition, the Commission has accepted Staff's recommendation with respect to the Lead-Lag Study conducted pursuant to Order No. 25,914 (June 28, 2016), and directs Eversource to exclude the results of Lead-Lag Study from the calculation of energy service rates in DE 16-822.

For administrative efficiency, the Commission has elected to issue this Secretarial Letter as its prehearing order in this proceeding.

Sincerely,

A handwritten signature in blue ink, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
