Re: Docket No DW 16-828; Aquarion Water Company of New Hampshire, Inc.

Dear Ms. Howland:

Yesterday, I delivered to your office for filing an original and six copies of the Town of Hampton's Recommendations in the above matter. It has kindly come to my attention from Attorney Marcia Brown that the second page of the document entitled "Town of Hampton's Recommendations" may have been missing from the original and copies filed yesterday. This page was missing from the electronic copies e-mailed yesterday, and I e-mailed the missing page yesterday to your office.

So as to be sure that the hard copies filed yesterday are complete, I enclose an original and six copies of the missing page 2, which I would appreciate your office's inserting into the original and six copies filed yesterday if this page is likewise missing there.

Thank you so much for your cooperation in this regard.

Very truly yours,

Mark S. Gearreald
