On June 23, 2017, SmartEnergy Holdings, LLC (SmartEnergy), a competitive electric power supplier currently authorized to operate in the franchise area of Public Service Company of New Hampshire, d/b/a Eversource Energy, filed a request to expand its service territory to include the franchise area of Unitil Energy Systems, Inc. (Unitil). SmartEnergy provided a copy of a certificate demonstrating that it had completed electronic data interchange (EDI) testing with Unitil.

Staff reviewed the information in the request and believes SmartEnergy's filing meets the requirements to extend its service territory into the franchise area of Unitil. Staff, therefore, recommends that the Commission approve SmartEnergy's request to include the franchise area of Unitil in its service territory.
