**Re: DM 16-869, Constellation Energy Services, Inc.
Withdrawal of Registration**

Dear Executive Director:

Constellation Energy Services, Inc. ("CES") wishes to voluntarily withdraw its registration as a Competitive Electric Power Supplier in New Hampshire. CES previously notified the New Hampshire Public Utilities Commission via a letter sent on July 31, 2017 that CES would be merged into Constellation NewEnergy, Inc. ("CNE") effective September 1, 2017. The merger did not affect CES' customer contracts, rates, or services as CNE continues to abide by the terms and conditions of customers' existing retail contracts. All legal obligations have been transferred to CNE as a matter of law at the time of the merger; therefore, no customers will be harmed by this registration surrender.

If you have any questions please do not hesitate to contact me. I can be reached by phone at 312-681-1855 and by email at Amy.Klaviter@constellation.com. Thank you for your assistance in this matter.

Sincerely,
