Dear Ms. Howland:

Enclosed please find the original and six copies of a Request for Waiver of N.H. Code Admin. Rule PUC #303.02 on master metering. The Prospect Woodward Home is requesting a waiver of the prohibition against master metering with respect to Hillside Village, a Continuing Care Retirement Community to be constructed in Keene NH.

The grant of a waiver of the master metering prohibition for this senior housing project would serve the public interest. We will be pleased to provide any additional information needed to support our request. A copy of this request has been filed electronically as indicated below.

Respectfully submitted,

A handwritten signature in black ink, appearing to be "JG", is written over the signature line.
