Request to Provide Replacement Guaranty**TO:** Commission
Debra Howland, Executive Director

On October 30, 2017, Exelon Generation Company, LLC (Exelon Generation), filed on behalf of its subsidiary, Constellation NewEnergy, Inc. (Constellation NewEnergy), a registered competitive electric power supplier, a corporate parent guaranty executed by Exelon Generation, dated October 27, 2017 in the amount of \$500,000 (new guaranty), intended to replace the currently effective guaranty, also executed by Exelon Generation, dated April 2, 2012, and filed with the Commission on April 4, 2012 (existing guaranty). Except for the increase in the amount, the terms of the new guaranty are substantially the same as those of the existing guaranty. The new guaranty is proposed to replace the existing guaranty.

Staff has reviewed the new guaranty and believes that, because the amount is greater than that of the existing guaranty, it is more favorable to the Commission. Like the existing guaranty, the new guaranty names the Commission as the guaranteed party.

Because the amount is believed to be more favorable, and because the term, and other material terms and conditions of the new guaranty are believed to be substantially the same as those of the existing guaranty, Staff recommends that the Commission accept the new guaranty as a replacement for the existing guaranty as financial security for Constellation NewEnergy.
