**Re: PETITION FOR APPROVAL OF DEFAULT SERVICE
SOLICITATION AND PROPOSED DEFAULT SERVICE TARIFFS
Docket No. DE 17-038**

Dear Secretary Howland:

On behalf of Unitil Energy Systems, Inc. ("UES"), enclosed are an original and six (6) Confidential copies, plus one (1) redacted copy, of "Petition for Approval of Default Service Solicitation and Proposed Default Service Tariffs." The Petition requests that the New Hampshire Public Utilities Commission ("Commission") approve UES's solicitation and procurement, for the period beginning June 1, 2017, of 100 percent of its Default Service ("DS") power supply requirements for its Non-G1 and G1 customers for six months, and approve the proposed tariffs incorporating the results of this solicitation into rates.

In support of the Petition, the filing includes the pre-filed direct testimony and schedules of:

1. Lisa S. Glover, Energy Analyst, Unitil Service Corp.
2. Linda S. McNamara, Senior Regulatory Analyst, Unitil Service Corp.
3. Daniel T. Nawazelski, Senior Financial Analyst, Unitil Service Corp.

As discussed in the testimony of Ms. Glover, UES selected Direct Energy Business Marketing, LLC ("Direct Energy") as the winning bidder of the small customer (Non-G1) supply requirement (100% share). TransCanada Power Marketing Ltd ("TransCanada") was selected as the supplier for the medium customer (Non-G1) supply requirement (100% share). NextEra Power Marketing, LLC ("NextEra") was selected as the supplier of the large customer (G1) supply requirement (100% share). All three transactions are for a period of six months. UES believes that Direct Energy,

An electronic copy of the non-confidential version of the filing is being provided to the Commission, Commission Staff and the Office of Consumer Advocate ("OCA") as required by N.H. Code Admin. Pro. Puc 203.03.

Thank you for your attention to this matter.

Sincerely,
