Re: DG 17-048, Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities
Petition for Permanent and Temporary Rates
Order on Rehearing

To the Parties:

In the rehearing phase of this proceeding, Liberty requested approval of base delivery rate changes and Local Delivery Adjustment Charge (LDAC) changes effective November 1, 2018. Liberty also requested approval of its proposed decoupling tariff effective November 1. These rate changes and the decoupling tariff were supported by Staff at the October 19, 2018 hearing in this matter.

The Commission is preparing an Order approving Liberty's requested rate changes and its decoupling tariff effective November 1, 2018. The Order is expected to be issued shortly.

In order to allow customer billing to proceed in the ordinary course, the Commission has approved the following in advance of issuing a more formal Order:

- Liberty shall decrease its LDAC effective November 1, 2018 to pass back to customers \$280,147 for the adjustments detailed on Exh. 88.
- Liberty shall decrease its base delivery rates effective November 1, 2018 to pass back to customers \$1,070,435 annually for the adjustment detailed on Exh. 81.
- Liberty's illustrative decoupling tariff, as updated in this proceeding, is hereby approved.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
