

**STATE OF NEW HAMPSHIRE  
BEFORE THE  
PUBLIC UTILITIES COMMISSION**

**West Swanzey Water Company, Inc.**

**Docket No. DW 17-103**

**MOTION FOR REOPENING RECORD**

NOW comes the Staff of the Public Utilities Commission, and moves to reopen the record to include certain information in Docket No. DW 17-103, pursuant to N.H. Admin. Rules Puc 203.30 and Puc 203.07, as follows:

1. Staff, for the purposes of the Commission's consideration of the filing made by West Swanzey Water Company, Inc. (West Swanzey) in this docket, finds it advisable that additional information be included in the hearing record for this case. Staff would request that this information, attached as an Appendix to this motion, be marked as Exhibit 4 in Docket No. DW 17-103.
2. This data response would provide a correction to certain figures provided by Staff as part of a Record Request made in this Docket, Hearing Exhibit 3.
3. Inclusion of this late-filed exhibit, and reopening of the record, would not prejudice the positions of West Swanzey Water Company or disrupt the orderly administration of this proceeding, as it is a correction of a typographical error.
4. West Swanzey, when informally approached by Staff, did not object to the corrections being made to Hearing Exhibit 3.

WHEREFORE, Staff respectfully states and requests:

- A. The Commission grant this motion to reopen the record to incorporate the above-referenced information provided by Staff, pursuant to N.H. Admin. Rules Puc 203.30 and Puc 203.07; and
- B. Grant such other and further relief as justice may require.

Respectfully submitted,

Staff of the N.H. Public Utilities Commission
