**Re: DE 17-105 – Public Service Company of New Hampshire d/b/a Eversource Energy
Application for Approval of the Sale of Its Interest in W. F. Wyman Station – Unit 4**

Dear Director Howland:

By Order No. 26,060, "Order Approving Sale," issued on September 27, 2017, the Commission approved the sale of Public Service Company of New Hampshire's ("PSNH") interest in W.F. Wyman Station – Unit 4 to FPL Energy Wyman IV LLC. The Order required "that within 30 days of closing on the sale of the Eversource interest in W.F. Wyman Station - Unit 4, Eversource shall file an accounting of all sale proceeds and expenses."

The sale of PSNH's interest in Wyman Unit 4 occurred on November 1, 2017. However, under the Purchase and Sale agreement between the parties, closing proceeds were subject to a Post-Closing Proration Adjustment within 30 days after the closing date. That Post-Closing Proration Adjustment process occurred on or about December 1, and PSNH is now able to provide the accounting of all sale proceeds and expenses called for in the Order, and that accounting is attached hereto.

Please let me know if you have any questions.

Sincerely,

Robert A. Bersak
Chief Regulatory Counsel
