RE: Docket No. DE 17-127  
Public Service Company of New Hampshire d/b/a Eversource Energy

Request for Waiver of Puc 305.03

Dear Director Howland:

By this letter Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource") hereby seeks to withdraw its presently pending request for a waiver of certain provisions of Puc 305.03 relating to the testing of Eversource's meters. Eversource is presently working with the Staff of the Commission and the Office of Consumer Advocate to develop a modified proposal relating to this matter to which all parties can agree and which will satisfy the purpose and intent of the underlying regulation. In that a modified, and agreed upon, proposal is forthcoming with respect to this waiver, Eversource is requesting that its present request be withdrawn and that the Commission not act upon it. Eversource does, however, ask that this docket be kept open pending the submission of the modified proposal in the near future.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

**Matthew J. Fossum**
