RE: Docket No. DE 17-127
Public Service Company of New Hampshire d/b/a Eversource Energy

Request for Waiver of Puc 305.03

Dear Director Howland:

As noted in the letter from Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource") on October 17, 2017 in this docket, Eversource was withdrawing its initial proposal and working with the Staff of the Commission and the Office of Consumer Advocate ("OCA") to develop a modified proposal relating to this matter. Eversource, Commission Staff and the OCA have reached agreement on a modified proposal for a limited waiver which satisfies the purpose and intent of the underlying regulation, while permitting Eversource additional time to demonstrate that a more extensive waiver may be appropriate. Eversource requests that the Commission review and approve the enclosed modified request as agreed upon by Eversource, Commission Staff and the OCA.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
