Subject: Proposed rate hike for residents of Litchfield N.H.

To the Public Utilities Commission regarding proposed rate hikes from Pennichuck East,

Please do not allow the proposed rate hike of 21% to the residents of Litchfield, NH. This is an exorbitant hike for all citizens of our community to face. I realize that all utilities do go up but not at this rate. We are hostages of this water supplier.

Sincerely,  
Jane Fucci  
47 Old Stage Road  
Litchfield, NH
