2018-2020

NEW HAMPSHIRE STATEWIDE ENERGY EFFICIENCY PLAN

Jointly Submitted by New Hampshire’s Electric and Natural Gas Utilities
Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities
New Hampshire Electric Cooperative, Inc.
Public Service Company of New Hampshire d/b/a Eversource Energy
Unitil Energy Systems, Inc.
Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities
Northern Utilities, Inc.

NHPUC Docket DE 17-136
September 1, 2017

Revised, January 12, 2018
# TABLE OF CONTENTS

1.0 EXECUTIVE SUMMARY ........................................................................................................... 7  
   2018 - 2020 Program Vision .................................................................................................... 8  
   2018 - 2020 Program Goals .................................................................................................... 8  
   NHSaves Accomplishments ..................................................................................................... 9  
   Benefits Resulting from the 2018-2020 Plan ........................................................................ 9  
   NHSaves Programs Summary ............................................................................................... 11  
2.0 Introduction ............................................................................................................................ 12  
   2.1 Energy Efficiency Vision .................................................................................................... 13  
   2.2 Energy Efficiency Resource Standard .............................................................................. 13  
   2.3 EERS Background ............................................................................................................ 15  
   2.4 EERS Enhanced Stakeholder Review ............................................................................... 16  
3.0 2018-2020 Plan - Vision and Benefits .................................................................................. 18  
   3.1 2018-2020 Plan Vision .................................................................................................... 18  
   3.2 Program Benefits ............................................................................................................. 20  
   3.3 NHSaves Program Achievements ..................................................................................... 23  
4.0 The 2018-2020 Program Goals ............................................................................................. 27  
   4.1 Annual Energy Savings Targets ....................................................................................... 28  
   4.2 Program Funding ............................................................................................................. 30  
   4.3 Annual Program Budgets .................................................................................................. 32  
   4.4 Program Continuity .......................................................................................................... 36  
5.0 Customer Experience, Marketing, & Education ................................................................. 37  
   5.1 Customer Experience ...................................................................................................... 37  
   5.3 Program Marketing ......................................................................................................... 38  
   5.4 Education and Training .................................................................................................... 42  
6.0 NHSaves Residential Programs .......................................................................................... 46  
   6.1 Home Energy Assistance (HEA) ..................................................................................... 50  
   6.2 Home Performance with ENERGY STAR (HPwES) ....................................................... 60  
   6.3 ENERGY STAR Homes .................................................................................................... 71  
   6.4 ENERGY STAR Products (ESProducts) .......................................................................... 80

ATTACHMENTS
Attachment A: Summary of Material Changes
Attachment B: Statewide Goals
Attachment C: Utility Budgets by Activity
Attachment D: Utility Goals by Program
Attachment E1: Eversource – Electric Program Cost-Effectiveness
Attachment E2: Eversource – Electric Detailed Planning Assumptions by Program
Attachment E3: Eversource – Electric System Benefits Charge Calculation
Attachment F1: Liberty Utilities – Electric Program Cost-Effectiveness
Attachment F2: Liberty Utilities – Electric Detailed Planning Assumptions by Program
Attachment F3: Liberty Utilities – Electric System Benefits Charge Calculation
Attachment G1: NHEC – Electric Program Cost Effectiveness
Attachment G2: NHEC – Electric Detailed Planning Assumptions by Program
Attachment G3: NHEC – Electric System Benefits Charge Calculation
Attachment H1: Unitil Energy Systems, Inc. – Electric Program Cost-Effectiveness
Attachment H2: Unitil Energy Systems, Inc. – Electric Detailed Planning Assumptions by Program
Attachment H3: Unitil Energy Systems, Inc. – Electric System Benefits Charge Calculation
Attachment I1: Liberty Utilities – Natural Gas Program Cost-Effectiveness
Attachment I2: Liberty Utilities – Natural Gas Detailed Planning Assumptions by Program
Attachment I3: Liberty Utilities – Natural Gas Energy Efficiency Rate and Lost Base Revenue Rate Calculations
Attachment J1: Northern Utilities – Natural Gas Program Cost-Effectiveness
Attachment J2: Northern Utilities – Natural Gas Detailed Planning Assumptions by Program
Attachment J3:  Northern Utilities – Natural Gas Energy Efficiency Rate Calculation
Attachment J4:  Northern Utilities – Natural Gas Lost Base Revenue Rate Calculation
Attachment K:  Joint Testimony – 2018 System Benefits Charge Rate Change
Attachment L1:  Testimony – Accounting for Non-Energy Impacts in New Hampshire’s Cost Effectiveness Test
Attachment L2:  Analysis of Job Creation from 2015 Expenditures for Energy Efficiency in Rhode Island by National Grid
Attachment L3:  Massachusetts Special and Cross-Cutting Research Area: Low-Income Single Family Health and Safety Related Non-Energy Impacts Study
Attachment L4:  Project R4 HES/HES-IE Process Evaluation and R31 Real-time Research (CT)
Attachment L5:  Massachusetts Program Administrators Final Report – Commercial and Industrial Non-Energy Impacts Study
Attachment L6:  Massachusetts Electric and Gas Program Administrators Stage 2 Results – Commercial and Industrial New Construction Non-Energy Impacts Study – Final Report
Attachment L7:  Development and Application of Select Non-Energy Benefits for the EmPOWER Maryland Energy Efficiency Programs
