RE: Docket No. ~~DG~~^F 17-136 On-Bill Financing Tariff

Dear Director Howland:

On behalf of Northern Utilities, Inc. ("Northern" or the "Company"), please find for filing with and approval by the clean and redline version of the Company's proposed First Revised Page 159 and 160 of Northern's tariff, as well as Original Page 161 and 162. These proposed tariff sheets reflect changes in terms to the Company's on-bill financing program consistent with the 2019 Update Plan (September 14, 2018) at pages 31-32. Specifically, the Company has updated its on-bill offerings for residential financing from a maximum of \$2,000 to a maximum of \$4,000, and a proposed new on-bill mechanism for business customers. These tariffs are intended to take effect January 1, 2019.

Please contact me directly if you have any questions or concerns regarding this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "P. H. Taylor", with a long horizontal flourish extending to the right.

Patrick H. Taylor
