RE: DE 17-136 Public Service Company of New Hampshire d/b/a Eversource Energy
Commercial On-Bill Financing Tariff Effective September 1, 2019

Dear Director Howland:

Enclosed for filing in Docket DE 17-136, please find clean and black-lined versions of the Company's proposed updates to pages 95 and 96 of its Delivery Service Tariff. The proposed revisions extend the Company's existing Residential Loan Program Rate LP to commercial customers consistent with the 2019 Energy Efficiency Update Plan, which was approved by the Commission in its Order No. 26,207 in Docket DE 17-136.

The Company proposes a September 1, 2019 effective date to allow time to complete the necessary billing system updates, and respectfully requests Commission approval prior to this date.

Thank you for your assistance with this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

Matthew J. Fossum
Senior Counsel
