Re: DE 17-136: 2018-20 New Hampshire Statewide Energy Efficiency Plan;
2020 Plan Update; Revised-Request to Amend Procedural Schedule

Dear Ms. Howland:

By letter dated October 22, in this matter, the Commission approved a procedural schedule whereby Staff and Intervenor testimony is to be filed on November 6, 2019, followed by data requests on that testimony due by November 12, and responses provided by November 26.

On October 29, in data responses and by email, the utilities stated that they will making a full revised 2020 Update filing by November 1.

In order to allow Staff and Intervenors time to review the revised Update filing in advance of submitting testimony, Staff requests that the Commission amend the current schedule so that the due date for Staff and Intervenor testimony would be November 13, data requests on that testimony would be due November 18, and responses to those data request would be due on November 27. This request does not affect the scheduled settlement conferences or hearing and thus is not expected to delay the resolution of this docket

Sincerely,
