**RE: Docket DE 17-136 / DE 20-092: Energy Efficiency Resource Standard Programs**

Dear Chairman Goldner,

On behalf of Unitil Energy Systems, Inc. and Northern Utilities, Inc. (collectively, the “Companies”), I enclose the Companies’ 2021 Annual Reports. The Commission approved the 2021 programs in Order No. 26,621 (April 29, 2022). In a procedural order issued on January 24, 2022, the Commission clarified that 2021 annual reports should be filed in Docket No. DE 17-136. However, Docket DE 17-136 was closed by the Commission in a Procedural Order dated May 4, 2022. Therefore, the Company is filing its annual reports in both DE 17-136 and DE 20-092. Consistent with the Commission’s suspension of paper filings, the Companies submit these reports in electronic format only, but will provide hard copies if and when requested.

Regards,
