SUBJECT: DM 17-140, Definitive Energy Group, Inc.
Application to Renew Registration as a Provider of Electric
Aggregation Service

TO: Commission
Debra Howland, Executive Director

On September 12, 2017, Definitive Energy Group, Inc. (Definitive Energy) filed an application to renew its registration as a provider of electric aggregation service. Definitive Energy's currently effective registration expires on October 22, 2017.

Staff has reviewed the application and has determined that the filing is complete. Staff noted that that, pursuant to Puc 2003.05(a), Definitive Energy's renewal application should have been filed at least 60 days prior to the expiration of the currently effective registration, on or before August 23, 2017. Staff recommends the Commission grant a waiver of Puc 2003.05(a) and approve Definitive Energy's renewal application to provide electric load aggregation service, effective October 22, 2017, for a term of five years.
