Re: DM 17-140 Definitive Energy Group, Inc.
Application to Renew Registration as a Provider of Electric Aggregation Service

Dear Mr. Bruce:

On September 12, 2017, Definitive Energy Group, Inc. submitted an application with the Commission to renew its registration as a provider of electric aggregation service. Staff reviewed the application and determined that it is complete.

Commission Staff filed a memorandum on September 13, 2017 recommending that the Commission grant a waiver of the renewal filing deadline under Puc 2003.05(a) and approve the renewal registration for a five-year term beginning on October 22, 2017.

The Commission has granted the proposed rule waiver regarding the renewal filing deadline and has approved the application for registration renewal effective as of October 22, 2017. The renewed registration is for a term of five years and expires at the close of business on October 22, 2022. Pursuant to N.H. Code Admin. Rules Puc 2003.05(a), you must submit your next renewal application at least 60 days prior to the expiration of the registration approved here, on or before August 23, 2022. Note that the Commission might not grant a rule waiver if there is any further instance of non-compliance with the renewal registration application filing deadline.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>. Please also be aware that revised Puc 2000 rules, which were adopted on August 25, 2017, and become effective on November 1, 2017, contain certain requirements that are different from those in the currently effective rules. The revised rules can be accessed at: [Puc 2000 Rules Amendments Effective 11-1-17](#).

Please note that, effective as of July 1, 2014, each registered electric load aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
