**Re: Docket No. DG 17-152; Liberty Utilities (EnergyNorth Natural Gas) Corp.
Least Cost Integrated Resource Plan**

Dear Ms. Howland:

Liberty Utilities (EnergyNorth Natural Gas) Corp. hereby submits the following status report in accordance with the February 25, 2020, secretarial letter in this docket.

The Company has reached a point in its work on the issues impacting the LCIRP in this docket that gave rise to the current stay of proceedings, and which issues are also related to the Granite Bridge project in DG-17-198, such that we can begin developing a proposed procedural schedule. Given the Commission's instruction that the Company work with Staff and the other parties to obtain consensus on a schedule, the Company requests a May 15, 2020, deadline for filing a proposed procedural schedule to govern the balance of this docket that is acceptable to all parties.

Pursuant to the March 17, 2020, secretarial letter, only an electronic version of this letter will be filed.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Sheehan", written in a cursive style.
