RE: DW 17-165 Abenaki Water Company, Inc. – Rosebrook Water System
Request for Change in Rates
Proposed Step II Scope of Engineering Procedural Schedule

Dear Ms. Howland:

Pursuant to Order No. 26,205 issued on December 27, 2018, the Commission directed that “the Settling Parties, and intervenors if available, establish a proposed procedural schedule, for the purpose of conducting discovery related to the scope of the engineering study in Step II and possible alternative solutions to Abenaki-Rosebrook’s water system pressure problem, and submit for Commission approval within 10 days from the date” of that Order. After contacting the service list in the above-mentioned docket regarding a proposed procedural schedule, Staff of the Public Utilities Commission (Staff) received responses from the Abenaki Water Company, Inc. – Rosebrook Water System (Abenaki), Omni Mount Washington LLC (Omni), and the Office of the Consumer Advocate (OCA) (collectively the Responding Parties). Staff did not receive responses from the remaining intervenors: the Bretton Woods Property Owners Association; Forest Cottages Association; and the Rosebrook Association.

The Responding Parties agreed to first establish a technical session, then further develop the procedural schedule at that technical session, allowing the parties involved to review the water pressure problem report to be submitted by Abenaki on January 7, 2019, as further required by Order No. 26,205. After the technical session, the parties will submit a supplemental procedural schedule for Commission approval.

The Responding Parties agreed to the following partial procedural schedule:

Technical Session January 23, 2019 at 9 A.M.

On behalf of Abenaki, Staff, the OCA, and Omni, Staff respectfully requests that the Commission approve the proposed schedule. If you have any questions, please do not hesitate to contact me.

Thank you for your attention in this matter.

Sincerely,

Christopher R. Tuomala, Esq.
Staff Attorney
