Re: Docket No. DW 17-165 – Abenaki Water Company – Rosebrook Division  
Witness and Exhibit List of Abenaki Water Company

Dear Director Howland:

Attached for filing is Abenaki Water Company's witness and exhibit list for the hearing scheduled for Thursday, April 23, 2020.

Exhibits for which Abenaki is responsible have been previously filed, with the exception of the attached, Exhibit 26, which is the NH Department of Environmental Services' 2019 Sanitary Survey of the Rosebrook water system. This document is also located at the Commission's Docket Book at tab 74. Abenaki wishes to also bring to the Commission's attention that it discovered an error in Exhibit 17, therefore, it is filing a revised Exhibit 17.

Thank you in advance for your assistance with this filing.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
