Re: DW 17-165 Abenaki Water Company-Rosebrook

Ladies and Gentlemen:

This letter is in furtherance of our prior letter dated January 17, 2018 requesting intervenor status with respect to any hearings on Petition for Change in Rates Order No. 26,097. Omni Mount Washington, LLC is a major customer of the Abenaki Water Company, and as such, will be significantly impacted by any increase to the rates. Initially, the proposed increase would result in an additional \$85,000 per year in water costs, which would be highly detrimental to the resort. Furthermore, we have received no communication from Abenaki to discuss the proposed rate increases, nor do we have any idea what capital improvements were made in 2017.

Going forward, please use me and Chris Ellms (Director of Ski Operations) as your points of contact. His phone number is 603-278-3301 and his email address is cellms@omnihotels.com.

Please call me at (214) 283-8646 if you have any questions.

Sincerely,

Nicole S. Graves
