Re: Docket No. DW 17-165 –Objection to Motion to Bifurcate

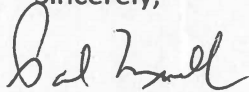

Dear Ms. Howland

Please be advised that the Bretton Woods Property Owners (“BWPOA”) and Forest Cottages agree with Omni’s Objection to Motion to Bifurcate as filed on September 23,2019 for the same reasons cited in Omni’s filing.

BWPOA and Forest Cottages also agree with Omni’s recommendation of a more comprehensive approach to settlement negotiations that includes all the issues rather than the one sub issue as proposed by Abenaki.

An original and six copies will be mailed to the commission today.

Sincerely,

Paul Mueller
