**Re: Docket No. DE 17-189; Liberty Utilities (Granite State Electric) Corp. d/b/a
Liberty Utilities
Petition to Approve Battery Storage Pilot Program**

Dear Ms. Howland:

On behalf of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities, enclosed please find seven copies of the confidential version of revised *Appendix 1*, and one redacted version of revised *Appendix 1*. We added "R" for "revised" to the Bates numbering of the entire document to avoid confusion with the original *Appendix 1*.

The Company makes this filing in response to the Commission's directive in its January 9, 2018, secretarial letter to "attempt to reduce the scope of information designated as confidential in *Appendix 1*." Revised *Appendix 1* has substantially less confidential information.

Since the Commission has already granted the motion for confidential treatment as to the original *Appendix 1*, it is the Company's position that the revised *Appendix 1* falls within the scope of that order and thus no further Commission action is necessary.

Thank you.

Sincerely,

Michael J. Sheehan
