**Re: Docket No. DE 17-189; Liberty Utilities (Granite State Electric) Corp. d/b/a
Liberty Utilities**

Petition to Approve Battery Storage Pilot Program

Dear Ms. Howland:

On behalf of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities, I write to notify the Commission that it may disregard the "confidential" notations on the lower left corners of Bates pages 64, 65, and 67 of the Company's supplemental filing made on February 9, 2018. Those notations were made by the document's author, Electra Energy. Liberty does *not* assert that anything on those pages is confidential.

Note that the Company *does* seek confidential treatment of information on Bates page 66, which page Liberty marked as confidential in its header in the upper right corner. Liberty has already shaded (or redacted) the specific information and filed a motion for confidential treatment.

Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Sheehan".

Michael J. Sheehan
