Re: Docket No. DE 18-002  
Public Service Company of New Hampshire d/b/a Eversource Energy  
2018 Default Service Solicitations

Dear Ms. Howland:

Enclosed for filing in the above-referenced proceeding is a *corrected version* the Office of the Consumer Advocate's Opposition to Motion for Determination that Agreements Conform with RSA 362-H and to Direct Eversource to Comply with RSA 362-H.

We filed the original document yesterday afternoon, on a timely basis, but later discovered that the last page inadvertently mischaracterized one aspect of the relief being requested by the OCA. The body of the original pleading correctly characterized the requested relief. No substantive changes have been made to the body of the pleading although I did take the liberty of correcting three minor typographical errors (failure to italicize two citation signals and the omission of a 'close parenthesis' sign in the parenthetical phrase following one citation). Please if possible substitute the corrected version of this pleading for the original filed yesterday.

Copies are being sent to the service list in a manner consistent with the Commission's rules.

Please feel free to contact me if there are any concerns or questions regarding the foregoing.

Sincerely,

  
D. Maurice Kreis  
Consumer Advocate
