RE: DM 18-008 Notice of Voluntary Withdrawal and Request for Waiver of Puc 2004.15

To Whom It May Concern:

Nordic Energy Services, LLC ("Nordic") wishes to voluntarily discontinue service and withdraw its registration that was renewed in DM 18-008. Since Nordic has never marketed to or served any customers in the state of New Hampshire, we request that the NHPUC waive the 60-day notice requirement of Puc 2004.15(a)(1) and the 120 day suspended registration requirement of Puc 2004.15(c)(1), making the termination of Nordic's registration effective immediately. Nordic believes that the NHPUC should honor this request for waiver because the purpose of the notice period and suspension period are to verify that the supplier's customers will not be harmed, and that no lingering complaints or other issues will arise as a result of their activity in the state.

Please advise if you have questions or require additional information.

Sincerely,
