Auburn, NH 03032

Re: DM 18-014 Resident Power Natural Gas and Electric Solutions, LLC  
Application to Renew Registration as a Provider of Electric Aggregation Service

Dear Ms. Vetter:

On February 7, 2018, Resident Power Natural Gas and Electric Solutions, LLC (Resident Power) submitted an application with the Commission to renew its registration as a provider of electric aggregation service. Staff reviewed the application and determined that it is complete.

Commission Staff filed a memorandum on February 8, 2018 recommending approval of Resident Power's registration renewal application for a two-year term beginning on May 25, 2018, pursuant to N.H. Code Admin. Rules Puc 2003.06(e)(1).

Your application for registration renewal is approved effective as of May 25, 2018, under Puc 2003.06(e)(1). The renewed registration is for a term of two years and expires at the close of business on May 25, 2020. Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before March 26, 2020.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at:  
<http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>.

Please note that, effective as of July 1, 2014, each registered electric load aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".

Debra A. Howland  
Executive Director
