Re: IR-001 Order No. 26,096 Investigation to Determine Rate Effects of Federal and State Corporate Tax Reductions.

Dear Executive Director Howland,

On March 5, 2018 Justin Richardson of Upton & Hatfield filed a motion for an extension of deadline on behalf of Lakes Region Water Company for June 1, 2018.

Lakes Region Water Company has experienced a staff shortage in the recent months; this shortage has caused us direct our attention to internal matters and we will not be able to meet the June 1st deadline.

Lakes Region Water Company is respectfully requesting another 30 day extension, in order to properly submit their findings of Corporate Tax Reductions impact.

Sincerely,

Leah Valladares
Utilities Manager
