RE: Request for Waiver of N.H. Code Admin. Rule PUC #303.02

Dear Ms. Howland:

On behalf of Peterborough Retirement Community at Upland Farm, Inc. (RiverMead) please find the enclosed original Request for Waiver of N.H. Code Admin. Rule PUC #303.02 on master metering. RiverMead is requesting a waiver of the prohibition against master metering with respect to the construction of the Villa's – two twelve-unit buildings on the RiverMead Village campus in Peterborough, New Hampshire.

The grant of a waiver for master metering prohibition for the Villas project would serve the public interest as described in our request. Please let us know if you require any additional information. A copy of this request has been filed electronically as indicated below.

Respectfully submitted,
