Re: Energy Rewards, LLC f/k/a FairPoint Energy, LLC CEPS Registration Renewal – DM 18-091

Ms. Howland,

Energy Rewards, LLC f/k/a FairPoint Energy, LLC (“Energy Rewards”) initially filed the CEPs Registration Renewal Application on May 24, 2018, indicating that Energy Rewards only intends to serve in the territory of Unitil. Based on an instructive email received from David Goyette on Friday, June 1, 2018, I will like to clarify and confirm that Energy Rewards intends to serve only in the territories of Unitil and Eversource. All proper documents, such as the electronic data interchange certificates, were already provided in Attachment E, for the service territories of Unitil and Eversource.

Please note, I’ve included one original and two (2) copies of each document, and a PDF copy of each document were emailed to Executive.Director@puc.nh.gov as well.

If you have any questions in regard to this submission, please do not hesitate to contact us by email at Legal@criusenergy.com.

Sincerely,

Alejandro P.
