**RE: Docket No. DG 18-094: Petition for Authority to Operate as a Public Utility
in the Town of Epping**

Dear Director Howland:

On February 8, 2019, the Department issued Order No. 26,220 in the above-referenced Docket, approving the petition of Northern Utilities, Inc. ("Northern" or the "Company") to expand its franchise authority in the Town of Epping, New Hampshire. In compliance with Order No. 26,220 the Company encloses an original and two (2) copies of the updated tariff pages that list the towns served by Northern. One of these tariff pages, First Revised Page 96, was inadvertently not updated dated to reflect the Commission's prior approval of the Atkinson and Kingston service territories per Order No. 26,178 in Docket No. DG 18-103. As a result, this tariff page references both Order Nos. 26,178 and 26,220 for its authorization.

Please feel free to contact me directly if you have any questions or concerns regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick H. Taylor", with a long horizontal flourish extending to the right.

Patrick H. Taylor

Attorney for Northern Utilities, Inc.
