Re: Docket No. DW 18-101- Pennichuck East Utility, Inc.
Petition for Approval of Revised Special Contract for
Woodmont Commons in Londonderry
Signed Special Contract 2021-1

Dear Chairwoman Martin:

On April 21, 2021, the Commission approved the revised special contract between Pennichuck East Utility, Inc. and Pillsbury Realty Development, LLC for construction of a water storage tank. The special contract has now been signed by the parties and a copy is attached for the Commission's records.

Pursuant to Puc 1606.03, the original of the special contract will be kept at the Company's principle office and will be available for inspection similar to the manner in which the Company is required to keep its tariffs of general applicability available and on file at its principle office.

The termination date of this contract is not yet known. Puc 1606.04(c)(6). Once the construction project is completed, the Company will file an appropriate suspension page.

If you have any questions, please do not hesitate to contact me.

Very Truly Yours,
