**RE: Docket No. DG 18-\_\_\_\_: Petition for Authority to Operate as a Public Utility  
in the Towns of Kingston and Atkinson**

Dear Director Howland:

On July 2, Northern Utilities, Inc. ("Northern") submitted one (1) public and seven (7) Confidential copies of the above captioned Petition and supporting documents. The Company also filed the Petition and supporting documents electronically. Northern inadvertently omitted "EXHIBIT A" to the Petition in the hard copies that it filed with the Commission, though it did file the document electronically. As such, the Company now files eight (8) copies of EXHIBIT A to be included with the one public and seven confidential copies of the Company's initial filing.

Please contact me directly if you have any questions or concerns regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick H. Taylor", written over a horizontal line.

Patrick H. Taylor

Attorney for Northern Utilities, Inc.
