Re: DT 18-129: Petition of Northern New England Telephone Operations LLC d/b/a Consolidated Communications–NNE to Temporarily Construct and Maintain Telecommunications Cable across New Hampshire Public Waters

Dear Ms. Howland:

On August 15, 2018 Northern New England Telephone Operations LLC d/b/a Consolidated Communications-NNE (“Consolidated”) submitted a petition seeking a license pursuant to RSA 371:17 to place and maintain telephone plant aerially crossing state-owned public waters in Ossipee, New Hampshire, across the Lovell River.

Consolidated recently learned that the aerial crossing does not cross over state-owned waterways. Consequently, Consolidated respectfully requests to withdraw its petition in DT 18-129.

An original and six copies of this filing are enclosed. An electronic version will be filed via email today.

Please contact me should you have any question or concern.

Respectfully submitted,

Robert D. Meehan | Director – Government Affairs
