Public Utilities Commission

Docket No. DG 18-140

Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities

Petition to Approve Renewable Natural Gas Supply and Transportation Contract

Assented-to Motion to Continue April 5 Hearing

Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities, through counsel, respectfully moves the Commission to continue the April 5, 2019, hearing in this docket until the first date on or after May 6, 2019, that is agreeable to all parties and the Commission.

Staff and the OCA filed testimony in late February and, earlier this month, the Company asked a number of discovery questions related to that testimony.

In light of the positions taken by Staff and the OCA (which include concerns that the petition is premature and requests that the Commission deny the petition), and in light of the information obtained through discovery, the Company respectfully requests additional time to review the information and thoroughly consider Staff's and the OCA's positions before proceeding to hearing.

Staff and the OCA assent to the relief sought.

WHEREFORE, Liberty respectfully asks that the Commission:

- A. Continue the April 5 hearing to the first agreeable date on or after May 6, 2019; and
- B. Grant such other relief as is just and equitable.

Respectfully submitted,
Liberty Utilities (EnergyNorth Natural Gas) Corp., d/b/a
Liberty Utilities
