FROM: David Goyette, Utility Analyst III

SUBJECT: DM 18-146, Charity+Power, Inc.
Application to Renew Registration as a Provider of Electric
Aggregation Service

TO: Debra Howland, Executive Director

On September 21, 2018, Charity+Power, Inc.(Charity+Power) filed an application to renew its registration as a provider of electric aggregation service. Charity+Power's currently-effective registration expires on November 16, 2018.

Staff has reviewed the application and has determined that the filing is complete. Staff notes that, pursuant to Puc 2003.06(a), Charity+Power's renewal application should have been filed at least 60 days prior to the expiration of the currently-effective registration, on or before September 17, 2018. Staff recommends that a waiver of Puc 2003.06(a) be granted and that Charity+Power's application to renew its registration as a provider of electric aggregation service be approved, effective as of November 16, 2018, for a term of 2 years.
