SUBJECT: DM 18-154, RJT Energy Consultants, LLC
Application to Renew Registration as a Provider of Electric
Aggregation Service

TO: Debra Howland, Executive Director

On October 10, 2018, RJT Energy Consultants, LLC (RJT Energy) filed an application to renew its registration as a provider of electric aggregation service. RJT Energy's currently-effective registration expires on December 5, 2018.

Staff has reviewed the application and has determined that the filing is complete. Staff notes that, pursuant to Puc 2003.06(a), RJT Energy's renewal application should have been filed at least 60 days prior to the expiration of the currently-effective registration, on or before October 6, 2018. Staff recommends that a waiver of Puc 2003.06(a) be granted and that RJT Energy's application to renew its registration as a provider of electric aggregation service be approved, effective as of December 5, 2018, for a term of 2 years.
