PUBLIC UTILITIES COMMISSION**

**DW 18-187**

**CITY OF DOVER**

**Petition to Extend Water Service Area in the Town of Rollinsford**

**Summary of Order *Nisi* No. 26,367 Granting Extension of Water Service Area**

**June 17, 2020**

On June 17, 2020, the Commission granted the City of Dover's Petition to Extend Water Service to 7 Hall Street, Rollinsford, New Hampshire. The Commission's Order, Dover's petition, Staff's recommendation, and other docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, are posted at <https://www.puc.nh.gov/Regulatory/Docketbk/2018/18-187.html>.

The Commission found that the City of Dover possesses the managerial, technical, and financial capabilities to provide water service, and the franchise extension is for the public good. The Commission delayed the effectiveness of its approval to ensure that the public receives notice of the Commission's determination and has an opportunity to request a hearing. Persons interested in responding to the Commission's action may submit their comments, or file a written request for a hearing that states the reason and basis for a hearing, no later than July 6, 2020. Any person(s) responding to such comments and requests for hearing shall do so no later than July 10, 2020. Following consideration of any comments and requests for hearing received, the Commission may further extend the final effective date of its Order. Unless the Commission orders otherwise, the Order shall become final and effective on July 17, 2020.
