Application to Renew Registration as a Provider of Electric
Aggregation Service**TO:** Debra Howland, Executive Director

On January 10, 2019, Eisenbach Consulting, LLC (Eisenbach) filed an application to renew its registration as a provider of electric aggregation service. Eisenbach's currently-effective registration expires on March 1, 2019.

Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Code Admin. Rules Puc 2000. Staff notes that, pursuant to Puc 2003.06(a), Eisenbach's renewal application should have been filed at least 60 days prior to the expiration of the currently-effective registration, on or before December 31, 2018. Staff recommends that a waiver of Puc 2003.06(a) be granted and that Eisenbach's application to renew its registration as a provider of electric aggregation service be approved, effective as of March 1, 2019, for a term of 2 years.
