Dear Ms. Howe:

Staff has reviewed the filing received on January 17, 2020, in the above-captioned proceeding, and confirms compliance with Puc 1603 filing requirements. Staff notes, however, that the authorizing order and docket number were omitted off the footer of all filed pages. Puc 1603.06 (o) states:

"When the commission approves revised tariff pages to be inserted within the existing tariff, the utility shall file each revised page, bearing the notation as described in (m) (1) above." Puc 1603.06 (m)(1) states: "A statement, which shall include the information required by (2) through (4) below, that the tariff is "Authorized by NHPUC Order No. ___ in Docket No. ___, Dated ___".

Staff has decided to accept these pages as filed. For all future filings, the revised tariff pages shall include the authorizing order and docket number to comply with the rules. A copy of this letter is being entered into the docket and the tariff filing will be placed in our permanent file.

Enclosed for your records is a date stamped copy of the filing. If I can be of future assistance, please contact me at tel. (603) 271-6027 or via e-mail at Kerri-Lyn.Gilpatric@puc.nh.gov.

Yours truly,

/s/ Kerri-Lyn Gilpatric
