Re: DT 19-041: Petition of Consolidated Communications of Northern New England Company, LLC For Approval of Modifications to the Wholesale Performance Plan

Dear Ms. Howland,

Via correspondence dated last Friday, March 27, 2020, I provided the Commission and the parties to the above captioned Docket with a status report and proposed litigation schedule, along with similar recent filings in the companion cases filed with the Maine Public Utilities Commission and the Vermont Public Utility Commission. By this filing, I hereby advise the Commission and parties that Consolidated Communications and the Charter entities¹ have settled all matters between them at issue in the Docket, as well as the other referenced dockets in Vermont and Maine. The parties will work to submit a Joint Settlement Stipulation as soon as possible. In the meantime, on behalf of Consolidated Communications, the CANNE entities and the Charter entities, we jointly hereby request that the Commission take no further action in the proceeding pending its review of the Joint Settlement Stipulation.

Pursuant to your March 17, 2020, notice that the Commission temporarily has waived the requirements of Puc. 203.02, paper copies of this correspondence will not be made.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Patrick C. McHugh".
