RE: Docket No. DE 19-057  
Public Service Company of New Hampshire d/b/a Eversource Energy  
Notice of Intent to File Rate Schedules

Compliance Tariff Update

Dear Director Howland:

On December 15, 2020 the Commission issued Order No. 26,433 approving a settlement in the above-captioned proceeding relating to the rate case filing of Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource"). On December 23, 2020, the Commission issued Order No. 26,439 pertaining to the first step adjustment under the same settlement. In compliance with both orders, on December 31, 2020, Eversource submitted a new tariff to confirm the new rates, terms and conditions of service resulting from this matter.

During its review of the proposed compliance tariff, the Commission Staff informed Eversource that it believed an additional sentence should be added to Section 32 on Original Page 22 describing the Regulatory Reconciliation Adjustment ("RRA"). Particularly, the Staff requested the addition of a sentence specifying that the RRA would be calculated in conformance with Order No. 26,433. In line with the Staff's request, Eversource has amended that page of its compliance tariff to reference Order No. 26,433. No other changes have been made to the tariff submitted on December 31, 2020. The amended page, in clean and redline form, is attached for inclusion with the remainder of the tariff.
