Chair Goldner:

On December 15, 2020 the Commission issued Order No. 26,433 approving an October 9, 2020 Settlement Agreement (“Settlement”) in the above-captioned proceeding relating to the rate case filing of Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource,” or the “Company”). Relevant to this filing, Section 13 of the Settlement specified that Eversource would implement the New Start arrears management program in New Hampshire following the general framework set out in Appendix 7 of the Settlement. On January 25, 2022, the Commission issued Order No. 26,568 approving the New Start program proposed on December 15, 2021. According to Section 13.6 of the Settlement, Eversource is to provide quarterly reports on the New Start program to the Commission and the Stakeholder group. Attached is a copy of that report.

Following the March 17th letter of the Commission this report is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
