Re: DE 19-057 Public Service Company of New Hampshire d/b/a Eversource Energy
Distribution Rate Case

Dear Ms. Howland:

Please find enclosed with this letter an original and six copies of two sets of prefiled direct testimony and exhibits in the above-referenced docket. The first set of testimony and exhibit is from Madeleine Mineau and is filed solely on behalf of Clean Energy New Hampshire ("CENH"). The second set of testimony and exhibits is filed jointly on behalf of CENH and ChargePoint, Inc. ("ChargePoint"). ChargePoint currently has a pending petition for intervention before the Public Utilities Commission (the "Commission") in this docket. Regardless of the Commission's decision on that petition, CENH will continue to sponsor the testimony of Mr. Miller. If you have any questions about this issue or any other others, please do not hesitate to contact me.

Thank you for your attention in this matter.

Regards,

Elijah Emerson, Esq.
