RE: Docket No. DE 19-057 Notice of Intent to File Rate Schedules
Public Service Company of New Hampshire d/b/a Eversource Energy
PSNH and DOE Settlement Agreement and Supporting testimony from PSNH

Chairman Goldner:

Attached for filing with the Public Utilities Commission (“Commission”) is the settlement agreement reached between Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) and the New Hampshire Department of Energy. Also attached to this filing is the direct testimony of Marisa B. Paruta, Director of Revenue Requirements for Eversource, in support of the settlement agreement.

On August 1, Eversource filed a notice with the Commission that Eversource would be filing the settlement agreement today as well as notification that the parties would be ready for hearing anytime on or after Monday August 28, 2023. The Commission had also asked how long the parties would need for that hearing, but the August 1 notice failed to answer that question. Two hours for this hearing should be more than sufficient.

Consistent with current Commission policy this filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
