Petition to Approve Battery Storage Pilot Program**

Dear Chairman Goldner:

On behalf of Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, I write to ask that the Commission allow for the remote participation of Greg Tillman (Greg.Tillman@libertyutilities.com), at the March 29 technical session scheduled in the above dockets for March 30.

Mr. Tillman is a Senior Manager, Rate Design, with Liberty's corporate regulatory team, is assisting the Company with rate design in the upcoming distribution rate case, and thus would benefit from monitoring the technical session. Mr. Tillman is based in Florida and is thus unable to attend the technical session in person. Thank you.

Sincerely,
