Re: DE 19-082, Public Service Company of New Hampshire d/b/a Eversource Energy
2019 Energy Service Solicitation
Scheduling Hearing

To the Parties:

On December 29, 2017, the Commission issued Order No. 26,092 in Docket No. DE 17-113, in which it approved Public Service Company of New Hampshire d/b/a Eversource Energy's (Eversource) solicitation process for procuring default energy service for its Large Customer Group and its Small Customer Group. On December 5, 2019, Eversource filed a petition for approval of 100 percent of its default service power supply requirements for Large and Small customers for the six-month period beginning February 1, 2020, as well as a proposed tariff incorporating the results of the solicitation in rates. In support of its petition, Eversource filed testimony and related exhibits of Frederick B. White and Erica L. Menard.

The Commission will hold a merits hearing on Tuesday, December 10, 2019, at 10:00 a.m., during which the Commission will hear the testimony of Mr. White and Ms. Menard.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
